

Discover - Feature List

(Instagram-Style with Integrated Marketplace)

Project Overview

An Instagram-style social media platform designed specifically for artists. Users can post artwork, follow artists, engage with content through likes and comments, and seamlessly purchase art or place bids—all within the social feed experience. Artists choose whether to sell pieces at fixed prices or through auctions.

Core User Types

1. Artists

- Post and share artwork
- Build follower base
- Choose selling method per artwork (buy now, auction, or not for sale)
- Engage with community

2. Collectors

- Discover and collect art
- Purchase or bid on pieces
- Follow favorite artists
- Build public collection

3. Enthusiasts

- Browse and discover art
 - Like, comment, and share
 - Save favorites
 - Support artists through engagement
-

Core Features

1. Social Feed (Instagram-Style)

Main Feed

- **Chronological & Algorithm Feed**
 - "Following" feed (chronological from followed artists)
 - "Discover" feed (algorithm-recommended content)
 - Seamless infinite scroll
 - Pull to refresh
- **Post Types**
 - Single image posts
 - Multi-image carousel (up to 10 images)
 - Video posts (up to 60 seconds)
 - Stories (24-hour temporary content)
 - Reels/short-form video

Post Display

- **Visual Layout**
 - Large, high-quality image display
 - Artist name and profile picture
 - Post caption/description
 - Artwork details (medium, size, year)
 - Engagement metrics (likes, comments, shares)
 - **"Buy Now" or "Place Bid" button** (if for sale)
 - Price prominently displayed on for-sale posts
- **Sale Status Indicators**
 - "Available" badge with price
 - "Auction" badge with current bid/time remaining
 - "Sold" badge (post remains, shows sold status)
 - "Not for Sale" (portfolio piece)

Post Interactions

- **Standard Social Actions**
 - Double-tap or button to like
 - Comment on posts
 - Share to stories or external platforms
 - Save/bookmark posts
 - Tag other users

- Report content
 - **Shopping Actions**
 - Tap price to view purchase details
 - Quick buy from feed
 - Add to cart (multiple items)
 - Place bid directly from post
 - Share to wishlist
-

2. User Profiles

Artist Profile

- **Profile Header**
 - Profile picture
 - Cover image/banner
 - Display name & username
 - Verification badge (verified artists)
 - Bio/artist statement (150 characters)
 - Website/portfolio link
 - Location
 - Follower/following count
 - Total artworks count
- **Profile Tabs**
 - **Grid View** (all posts in grid)
 - **Available** (only pieces for sale)
 - **Sold** (past sales)
 - **Collections** (curated series)
 - **Tagged** (posts they're tagged in)
- **Action Buttons**
 - Follow/Unfollow
 - Message artist
 - Share profile
 - More options (report, block, etc.)

Collector/Enthusiast Profile

- **Profile Display**
 - Profile picture and bio
 - Follower/following count
 - Collection count
 - Joined date
- **Profile Sections**

- **Collection** (purchased artworks grid)
 - **Saved** (bookmarked posts - private)
 - **Liked** (publicly liked posts)
-

3. Post Creation & Upload

Artist Posting

- **Upload Process**
 - Select photo(s) from gallery or take new
 - Apply filters (optional, subtle art-focused filters)
 - Crop and adjust
 - Add caption (up to 2,200 characters)
 - Tag other users
 - Add location
 - **Artwork Information**
 - Title (required)
 - Medium/materials
 - Dimensions
 - Year created
 - Edition info (if applicable)
 - **Selling Options** (Artist chooses one):
 - **Not for Sale** - Portfolio piece only
 - **Buy Now** - Set fixed price
 - **Auction** - Set starting bid, reserve price, duration
 - **Make Offer** - Accept private offers
 - **Additional Settings**
 - Shipping options (ships from, shipping cost)
 - Turn off comments
 - Hide like count
 - Advanced settings (who can comment, etc.)
-

4. Buying Experience (Buy Now Posts)

Purchase Flow

1. **Tap price button on post**
2. **Quick view modal opens** showing:
 - Full artwork details

- Price and shipping cost
- Artist info
- Size and specifications
- "Buy Now" and "Add to Cart" buttons
- 3. **Checkout Process**
 - Review item(s)
 - Enter/select shipping address
 - Select payment method
 - Apply promo code (optional)
 - Review and confirm
- 4. **Post-Purchase**
 - Order confirmation
 - Artist notification
 - Chat thread opened with artist
 - Tracking updates
 - Post marked as "Sold"

Shopping Cart

- **Cart Features**
 - View all items from multiple artists
 - Remove items
 - Update quantities (for prints)
 - See total with shipping
 - Save for later
 - Checkout all at once
-

5. Auction & Bidding Experience

Auction Posts

- **Visual Indicators**
 - "AUCTION" badge on thumbnail
 - Current bid amount displayed
 - Time remaining countdown
 - Number of bids
 - Starting bid (if no bids yet)

Bidding Process

1. Tap "Place Bid" on post
2. Auction details modal

- Current highest bid
- Minimum bid increment
- Bid history (anonymized - "Bidder 1, 2, 3...")
- Time remaining (large countdown)
- Reserve status (met/not met - doesn't show amount)
- 3. **Place Bid**
 - Enter bid amount (auto-suggests minimum)
 - Set max bid (proxy bidding)
 - Confirm bid
- 4. **Bid Notifications**
 - Outbid alerts
 - Auction ending soon (1 hour, 5 minutes)
 - Auction won
 - Auction lost

Auction Management (For Bidders)

- **"My Bids" Section**
 - Active bids (currently winning/losing)
 - Won auctions (pending payment)
 - Lost auctions
 - Watched auctions
 - Bid history
-

6. Discovery & Explore

Explore Page

- **Search Bar** at top
 - Search artists
 - Search by hashtags
 - Search by art style/medium
- **Trending Content**
 - Top posts today/this week
 - Trending hashtags
 - Featured artists
- **Browse Categories**
 - Paintings
 - Sculptures
 - Photography
 - Digital Art
 - Prints

- Street Art
- Abstract
- Portraiture
- Etc.
- **Personalized Recommendations**
 - "For You" based on activity
 - Similar to artists you follow
 - New artists to discover
 - Recently sold artworks

Search Functionality

- **Search Results Display**
 - Top results
 - Artists
 - Hashtags
 - Posts
 - **Filters** (when searching posts)
 - For sale only
 - Auction only
 - Price range
 - Medium
 - Size
 - Artist location
 - Recently posted
-

7. Stories & Temporary Content

Stories Feature

- **Story Creation**
 - Photo or video stories
 - Text overlays
 - Drawing tools
 - Stickers and GIFs
 - Music/audio
 - Polls and questions
- **Story Features for Artists**
 - "Behind the scenes" studio content
 - Work-in-progress updates
 - Link stickers (to for-sale posts)
 - Countdown stickers (for auction endings)

- Poll stickers (audience feedback)
 - **Story Viewing**
 - 24-hour expiration
 - View counter
 - Story highlights (permanent on profile)
 - Direct replies via DM
-

8. Engagement & Social Features

Likes & Reactions

- Double-tap to like posts
- Like counter (can be hidden by artist)
- View who liked a post
- Unlike option

Comments

- **Comment Features**
 - Nested replies (threads)
 - Like comments
 - Tag users in comments
 - Pin comments (by post creator)
 - Sort by: Top, Newest, Oldest
 - Delete/report comments
- **Artist Tools**
 - Turn off comments
 - Limit comments (followers only, etc.)
 - Filter offensive words
 - Bulk delete/manage comments

Sharing

- **Share Options**
 - Share to your story
 - Share via direct message
 - Copy link
 - Share to external platforms (Twitter, Facebook, etc.)
 - Download post (if artist allows)

Following System

- **Follow Features**
 - Follow/unfollow artists
 - Following feed (chronological)
 - Mutual follow indicators
 - Following/follower lists (public)
 - Suggested follows
 - **Notifications**
 - New post from followed artist
 - Artist you follow is live
 - New auction from followed artist
 - Price drop on saved item
-

9. Direct Messaging

Chat Features

- **Message Types**
 - Text messages
 - Image/video sharing
 - Share posts
 - Voice messages (optional)
 - Quick replies
- **Conversation Features**
 - One-on-one chats
 - Group chats (up to 32 people)
 - Seen/read receipts
 - Typing indicators
 - Disappearing messages (optional)
- **Artist-Buyer Communication**
 - Automatic thread on purchase/bid win
 - Quick responses for common questions
 - Order details integrated in chat
 - Share shipping tracking

Message Requests

- Messages from non-followers go to "Requests"
 - Artist can review and accept/decline
 - Prevent spam while staying accessible
-

10. Notifications

Notification Types

Social Notifications:

- New follower
- Someone liked your post
- New comment on your post
- Someone mentioned you
- Someone shared your post

Shopping Notifications (Buyers):

- Price drop on saved item
- Auction ending soon (1 hour, 5 min)
- You've been outbid
- Auction won
- Auction lost
- Order shipped
- Order delivered

Selling Notifications (Artists):

- New purchase
- New bid on your auction
- Auction ended
- Payment received
- New message about your art
- Review received

Notification Settings

- Customize which notifications to receive
 - Push vs. in-app only
 - Quiet hours
 - Notification grouping
-

11. Payment & Transactions

Payment Methods

- Credit/debit cards
- Apple Pay / Google Pay
- PayPal
- Bank transfer (for high-value items)
- Buy now, pay later (Affirm, Klarna for items >\$500)

For Artists (Sellers)

- **Earnings Dashboard**
 - Total sales
 - Pending payments
 - Available to withdraw
 - Transaction history
 - Tax documents
- **Payouts**
 - Weekly or monthly payouts
 - Bank transfer
 - Minimum payout threshold (\$25)
 - Payout history

Platform Fees

- **Transparent Fee Structure**
 - Platform takes X% commission on sales
 - Payment processing fees (2.9% + \$0.30)
 - No listing fees
 - Premium features (optional) for reduced fees
-

12. Shipping & Logistics

Shipping Options

- **Artist Sets Shipping**
 - Flat rate shipping
 - Calculated by location
 - Free shipping option
 - Local pickup
 - International shipping toggle
- **Shipping Integration**
 - Print labels from app
 - Tracking number upload
 - Carrier integration (USPS, UPS, FedEx)

- Shipping insurance options

Buyer Experience

- Shipping cost shown before purchase
 - Delivery estimate
 - Tracking updates in app
 - Delivery confirmation
 - Report issues
-

13. Trust & Safety

Verification

- **Artist Verification**
 - Verified badge for authentic artists
 - Identity verification process
 - Portfolio review
 - Social media cross-verification
- **User Safety**
 - Age verification (18+ to purchase)
 - Two-factor authentication
 - Secure payment processing
 - SSL encryption

Authenticity & Protection

- **For Buyers**
 - Authenticity guarantee
 - 7-day return policy
 - Purchase protection
 - Dispute resolution
 - Report counterfeit
- **For Artists**
 - Copyright protection
 - DMCA takedown process
 - Watermark options (optional)
 - Report theft/copies

Content Moderation

- Report posts/profiles

- Block users
 - Restrict accounts
 - Hide offensive comments
 - Community guidelines enforcement
 - AI-powered content screening
-

14. Analytics & Insights

Artist Analytics Dashboard

- **Engagement Metrics**
 - Post views (reach)
 - Profile visits
 - Likes, comments, shares
 - Follower growth
 - Story views
 - **Sales Analytics**
 - Total sales and revenue
 - Conversion rate (views to purchases)
 - Average sale price
 - Best-selling pieces
 - Traffic sources
 - **Audience Insights**
 - Follower demographics (age, location)
 - Peak activity times
 - Top posts
 - Engagement rate
-

15. Mobile App Features

App-Specific Features

- **Push Notifications**
 - Real-time alerts
 - Customizable notification settings
- **Camera Integration**
 - In-app photo capture
 - Filters and editing
 - Quick post creation

- **AR Features** (Optional Phase 2)
 - "View in Your Space" - AR preview
 - See artwork on your wall before buying
- **Offline Mode**
 - View cached posts offline
 - Save drafts
 - Queue actions for when online

App Navigation

- Bottom navigation bar:
 - Home (feed)
 - Explore (discover)
 - Post (create)
 - Activity (notifications)
 - Profile (your account)
-

16. Additional Features

Collections & Curation

- **Artist Collections**
 - Group related works
 - Create series
 - Limited editions
 - Themed collections
- **User Collections**
 - Create custom boards (like Pinterest)
 - Save posts to collections
 - Public or private collections
 - Share collections

Hashtags & Tagging

- **Hashtags**
 - Follow hashtags
 - Trending hashtags
 - Hashtag search
 - Up to 30 hashtags per post
- **Tagging**
 - Tag other users in posts
 - Tag locations

- Product tags (for sale items)

Live Features (Optional)

- **Live Video**
 - Go live for followers
 - Studio tours
 - Creation process
 - Q&A sessions
 - Live auctions
 - Comments during live
 - Save replay to profile

Premium Features (Optional)

- **For Artists (Subscription)**
 - Lower commission rates
 - Advanced analytics
 - Promoted posts
 - Featured placement
 - Verified badge (faster)
 - Custom profile themes
 - Priority support
 - **For Collectors**
 - Early access to drops
 - Exclusive auctions
 - Private sales invitations
 - Ad-free experience
-

17. Settings & Customization

Account Settings

- **Profile Settings**
 - Edit profile info
 - Change profile picture/cover
 - Account privacy (public/private)
 - Manage blocked accounts
- **Privacy Settings**
 - Who can comment
 - Who can message
 - Who can tag you

- Activity status
 - Hide story from specific users
 - **Notification Settings**
 - Customize all notification types
 - Quiet hours
 - Email notifications
 - **Shopping Settings (Buyers)**
 - Saved addresses
 - Payment methods
 - Order history
 - Returns/refunds
 - **Selling Settings (Artists)**
 - Payment info
 - Shipping preferences
 - Tax information
 - Business settings
-

Technical Requirements

Performance

- Fast, smooth scrolling feed
- Image optimization and lazy loading
- <2 second load times
- Offline caching
- CDN for global image delivery

Security

- End-to-end encrypted messaging
- Secure payment processing (PCI DSS compliant)
- Two-factor authentication
- Regular security audits
- GDPR & CCPA compliant

Platforms

- iOS app (iPhone & iPad)
- Android app
- Web browser version
- Cross-platform sync

Success Metrics (KPIs)

Engagement Metrics

- Daily Active Users (DAU)
- Monthly Active Users (MAU)
- Average session duration
- Posts per user per day
- Engagement rate (likes, comments, shares)

Marketplace Metrics

- Gross Merchandise Value (GMV)
- Conversion rate (views to purchases)
- Average order value
- Successful auction completion rate
- Repeat purchase rate

Platform Health

- Artist retention rate
- Buyer retention rate
- Time to first sale (for new artists)
- Customer satisfaction score
- Support ticket resolution time

MVP (Phase 1) Priority Features

Must Have for Launch:

1. User registration & profiles (artist/collector)
2. Post creation (single image with caption)
3. Social feed (following & discover)
4. Like & comment on posts
5. Follow/unfollow artists
6. Basic search & explore
7. Buy Now functionality (fixed price)
8. Simple checkout & payment
9. Direct messaging

10. Basic notifications
11. Artist verification
12. Mobile app (iOS & Android)

Phase 2 (Post-Launch):

- Auction/bidding system
- Stories
- Multi-image posts
- Video posts
- Advanced analytics
- Collections/series
- Live streaming
- AR preview
- Premium subscriptions
